

Provides you with the access to 30 e-learning modules of academic painting and drawing according to the program exclusively developed by Florence Classical Arts Academy's faculty team. The primary learning format is video lessons with a verbal and visual step-by-step analysis of each assignment. The e-book complements the videos with written explanations and visual examples.

The program unfolds progressively and incrementally to take a student from the basics to increasingly complex tasks, starting from geometrical figures and climaxing at the portraiture studies in one year.

Core subjects:

- Classical Painting
- Classical Drawing

Supplementary subjects:

- Artistic anatomy
- Composition
- Plein-air
- Sketch

Benefits included:

- 🛡️ Weekly feedback in a written form, voice message, or image correction.
Virtual classroom zoom meeting once a month with your leading instructor and your classmates (the group of 12 students).
- 🛡️ Virtual classroom forum, where you can post your current artworks in progress and exchange feedback with your classmates.
- 🛡️ Official Certificate of E-learning Mastery Program with the FCAA upon successful passing of the final exam session
