

## FCAA ONLINE COURSE

### Independent E-learning Mode

Provides you with the access to 30 e-learning modules of academic painting and drawing according to the program exclusively developed by Florence Classical Arts Academy's faculty team. The primary learning format is video lessons with a verbal and visual step-by-step analysis of each assignment. The e-book complements the videos with written explanations and visual examples.

The program unfolds progressively and incrementally to take a student from the basics to increasingly complex tasks, starting from geometrical figures and climaxing at the portraiture studies in one year.

The students can choose their own pace and daily schedule of e-learning.

No feedback or accountability system.

Suggested duration: 12 months.

The course does not include exam sessions or certificate of completion.
